

Aluminati Team Bios

G.MICHAEL FITZGERALD

“I’m so sorry, you already know...”

Unofficial team leader.
G.Michael is always the one keeping us on track and makes sure we make progress. He has a deep intellectual and emotional understanding of physics.

CLAY CHISHOLM

Dolphin Noise

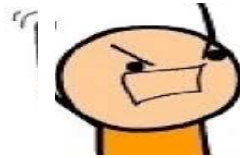

Official team Dolphin. As a hard worker with a lacking work effort, Clay gets work done, but often needs to be put back on track when he strays. A clown. Has received his PhD. in Mayonnaise.

Michael Murphy

Official Team COMIC SANS

COMIC
SAAAAANS

Official Team Murphy.
Michael can be an
efficient and skilled
worker. Dr. Professor
Electric.

Aaron SELIG

Sealegs

Official team Panda. He always up for any task given, even if it's not a favorable one (at times the notebook). Terrifies everyone else.

MASON ECK

****Tries to be mature with others****

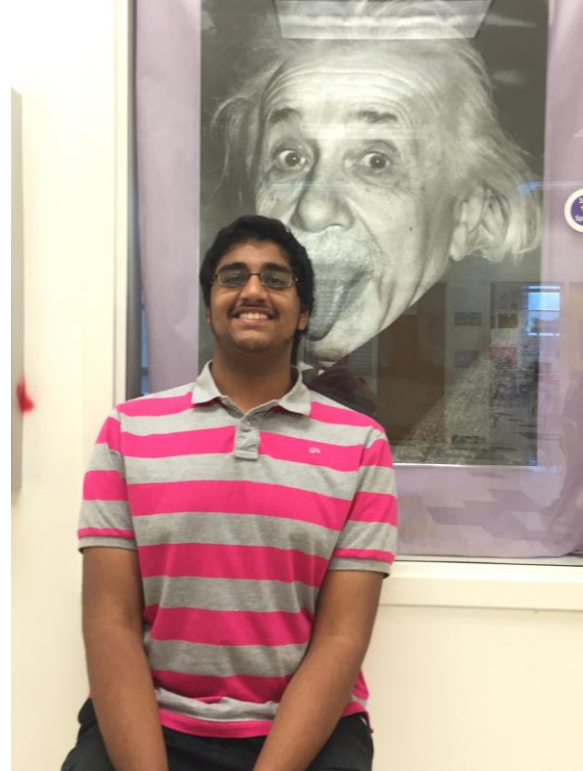

Mason was the last to join our group, but works with just as much effort if not more than everyone else. A skilled masterful tactician.

AYAZ ADATIA

Get'r Done

One of our team's hardest workers. Ayaz works undistracted by *most* of the shenanigans everybody else is participating in.

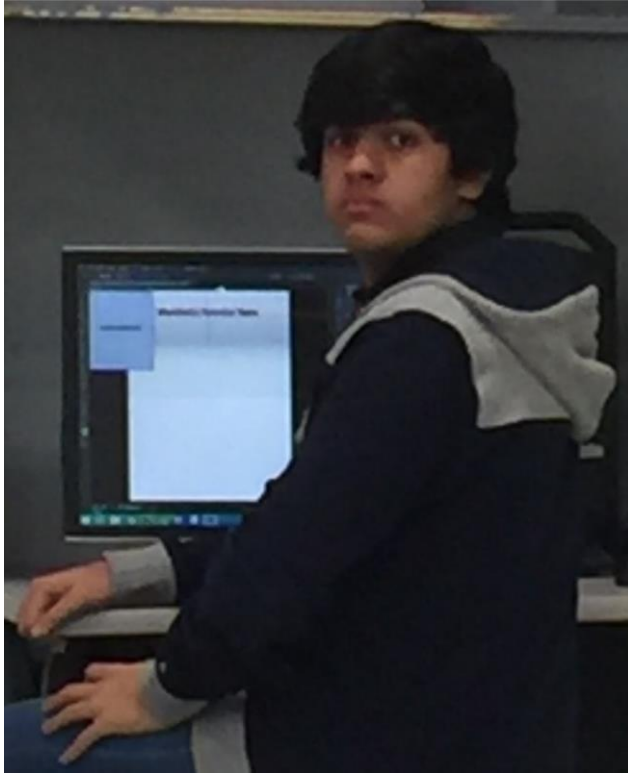

connor MCCampBELL

The Most Majestic of All Bovines

Official team absent.
When Connor is here he
always helps out, and
works diligently. As skilled
and serene as any bovine.

SHAAR HAQ

The Escape Artist

TOBIAS KIPPS

Doc. coder

Has literally coded everything on our robot. Works harder at his task than others. Has infinite knowledge on code.

CHANDLER BOURDON

Mr. Dr. Professor Emulator

Main Builder. Has worked the most on the chassis as well as other versions of it. Always ready to build more.

JACKSON D'ERRICO

The Hair

One of the New Kids. Hard working and dedicated. Comes to every practice and works as needed.

CHARLIE LANGE

charlie

I'm somewhat helpful.
Freshman.
